

This is the fear that what you have to offer isn't unique enough or creative enough or good enough or special enough.... Let's deal with this and put this behind you...

PUTTING THE FEAR BEHIND YOU:

1. What kind of thinking leads to fear, procrastination and scarcity? Why?

2. When and why does creativity shut down?

3. How are you really SPECIAL?

4. What are the 5 pointers? Explain each briefly in your own words...

ACTION STEPS:

1. Review the immersion on comparison
2. Live in the present moment, today will never come again
3. Challenge yourself to be bright & positive
4. Make progress 'step by step' to become the best that you can be
